S&P Salt & Pepper™

Since our launch in 1995, Salt&Pepper is known for developing contemporary home accessories, consistently producing cutting edge ranges built on fashion, quality and affordability. Since 2017 we are strongly focussing on the needs of our European clients. From that moment on, all our designs and developments arise from our head office in Belgium.

Getting our inspiration from trends and influences from around the world, we offer products that create a great look in everyday life and that stimulate times

of happiness and joy. We want to inspire people to create the kind of space at home that makes them feel comfortable, that stimulates their self-worthiness and that allows them to be themselves at their best. After all, a home is much more than just a collection of beautiful items, it's a true reflection of you, it's a place where life happens.

Salt&Pepper embodies a wide range of trendy must have home- and tableware items that people both like to own and want to share with their loved ones.

PARIS

With the double-walled items from the Paris collection you can enjoy your favourite drink for an extra long time. Because the glasses are made of borosilicate thermo glass, the glasses are resistant to both cold and warm liquids. Borosilicate glass is a strong

heat-resistant glass that weighs less than normal glassware, making the glass light and moreover extra strong. The stylish double-walled design provides an insulating layer, so that hot drinks stay hot for a longer time and cold drinks cold, without condensation.

SO NATURE

Imagine: cooking becomes a natural art with our new "So Nature" series of pans. These pans embody the epitome of ideal and practical cookware. Designed with your well-being in mind, they are completely free of added PFAS chemicals, allowing you to cook and enjoy your meals with peace of mind. The pans are manufactured with innovative triplet stainless steel technology, combining durability and superior performance.

But that's not all. Our "So Nature" pans don't have built-in handles, but don't worry - we've thought of everything. The removable handle, universal for all pans in the collection, is a clever addition that makes storing your pans a breeze. Moreover, this handle allows you to safely place the pans in the oven and easily release the handle without touching the pan. With "So Nature," you not only bring home quality pans, but also peace of mind and an unparalleled cooking experience.
